

UNIVERSITY of
NORTHERN COLORADO

College of Performing & Visual Arts
Office of the Dean

DATE: June 16, 2009
TO: Dr. Abe Harraf, Provost
RE: Re-charting the Future

Faculty from the School of Music, School of Art & Design, and School of Theatre Arts & Dance have reviewed and discussed the documents regarding restructuring, or “Re-charting the Future,” generated by the President’s Planning Council Subcommittee and the Provost. The consensus is that Charting the Future does not need to be revisited in the individual Schools or the College of Performing and Visual Arts.
