Students meeting the general admission requirements of the University may be accepted as an undeclared major. Registration to music classes by undeclared students or students with a major other than music are subject to prerequisite and music major status restrictions as indicated in the UNC Catalog. Students can be designated as music majors and accepted by the School of Music after a successful audition and School of Music application.

Every UNC student must meet the following requirements in order to graduate with a bachelor's degree: Earn a minimum of 120 semester credit hours; possess a minimum 2.00 cumulative grade point average; have at least 40 credit hours in courses designated as Liberal Arts Core; meet all degree requirements in the student's major field of study. Each major and/or emphasis may have additional requirements

Students must consult with their major advisor to receive information on any additional graduation requirements.

Footnotes:

1. MUS 100 Recitals, Concerts, and Productions must be taken each semester in residence.
2. Students must take lessons each semester in residence. Students who elect the recital option (see Recital requirement above) will take 8 semesters, with a minimum of 3 semesters at the 400 level (see Footnote #5 below regarding 400 level lessons). Students who elect the capstone project will take 8 semesters of 200 level lessons or a combinations of 200 and 400 level lessons.
3. Students must take 8 credits of ensembles, 7 credits of which must be Major Musical Organizations. See "Major Musical Organizations" in the UNC Catalog. Exception: Students whose Individual Performance studies are in jazz (MUS 236/436) are only required to take 4 credits of Major Musical Organizations and may elect to take 4 credits of other ensembles to reach the required 8 ensemble credits.
4. Not required for piano majors. Piano majors will take 2 credits of University-Wide Electives in place of MUS 160 and MUS 161.
5. The student must pass an upper-level qualifying examination determined by the performance area before he/she may enroll in the 400 level instruction. This examination is to be taken by the end of the fourth semester of 200 level instruction. If the student does not pass this examination on the first try, he/she may retake it once in the subsequent semester.
