**Notes**

1. In all MUS courses, a student must receive C- or better to fulfill degree requirements.
2. Any student receiving lower than a C- in a MUS prefix class for the second time in the same class will be placed on probation. If the student receives lower than a C- a third time in the same class, the student will be removed from the major.
3. Students are required to take MUS 100 8 times, based on degree.
4. This is not tied to lessons.
5. After students have fulfilled the requirements for applied lessons in their degree, additional applied lessons will be at the discretion of the studio teacher and Director.

6. All students in applied lessons must enroll in a major ensemble. Students that do not have a major ensemble required for the duration of the degree program should follow their degree requirements.
7. Any student receiving a grade below a C- in applied lessons will be placed on probation. A second semester of a grade below a C- in applied lessons will result, upon consent from the area, in removal from the major.
8. A half Junior Recital and full Senior Recital are required for all emphases.
9. The student must pass an upper-level qualifying examination, determined by the performance area, before he/she may enroll in the 400-level instruction. This examination is to be taken by the end of the fourth semester of 200-level instruction. If the student does not pass this examination on the first try, he/she may retake it once in the subsequent semester. If the student does not pass a second time, they will be removed from the degree.
10. 8 credits, of 400-level of instruction (individual instruction) are required.

*This worksheet is a recommended schedule to complete your bachelor's degree in 4 years. You will meet with the School of Music Retention Coordinator, and your faculty advisor every semester to track your progress.*
