Notes

1. In all MUS courses, a student must receive C- or better to fulfill degree requirements.
2. Any student receiving lower than a C- in a MUS prefix class for the second time in the same class will be placed on probation. If the student receives lower than a C- a third time in the same class, the student will be removed from the major.
3. Students are required to take MUS 100 7-8 times, based on the residency requirements of the final semester internship. This is not tied to lessons.
4. After students have fulfilled the requirements for applied lessons in their degree, additional applied lessons will be at the discretion of the studio teacher and Director.
5. All students in applied lessons must enroll in a major ensemble. Students that do not have a major ensemble required for the duration of the degree program should follow their degree requirements.
6. Any student receiving a grade below a C- in applied lessons will be placed on probation. A second semester of a grade below a C- in applied lessons will result, upon consent from the area, in removal from the major.
7. Based on their interests, audition results, and faculty advisement, students will take either classical or jazz lessons each semester in residence. This will affect the requirement regarding participation in Major Musical Organizations. See notes below, and see "Major Musical Organizations" (p. 87)

8. Students will elect to either produce a capstone project or present a half Senior Recital.
9. Students who elect the **capstone project** will take eight semesters of either Performance Study or Applied Music at the 200 and 400-level instruction.
10. Students who elect the recital option will take eight semesters of either **Performance Study or Applied Music**, with a minimum of three semesters at the 400-level. These students must pass an upper-level qualifying examination, determined by the performance area, before he/she may enroll in 400-level instruction. This examination is to be taken by the end of the fourth semester of 200-level instruction. If the student does not pass this examination on the first try, he/she may retake it once in the subsequent semester. **If the student does not pass a second time, they will be removed from the degree, or present the capstone alternatively.**
11. Students who elect the recital option will present a half Senior Recital.
12. ***ENSEMBLES:** Of the eight hours of ensembles, seven semesters of Major Musical Organization are required, except for students whose performance studies are in **jazz** for whom four semesters of Major Musical Organization are required, and four semesters of Jazz Ensembles.

This worksheet is a recommended schedule to complete your bachelor's degree in 4 years. You will meet with the School of Music Retention Coordinator, and your faculty advisor every semester to track your progress.
