Notes

1. In all MUS courses, a student must receive C- or better to fulfill degree requirements.
2. Any student receiving lower than a C- in a MUS prefix class for the second time in the same class will be placed on probation. If the student receives lower than a C- a third time in the same class, the student will be removed from the major.
3. Students are required to take MUS 100 8 times, based on degree. This is not tied to lessons.
4. After students have fulfilled the requirements for applied lessons in their degree, additional applied lessons will be at the discretion of the studio teacher and Director.
5. All students in applied lessons must enroll in a major ensemble. Students that do not have a major ensemble required for the duration of the degree program should follow their degree requirements.
6. Any student receiving a grade below a C- in applied lessons will be placed on probation. A second semester of a grade below a C- in applied lessons will result, upon consent from the area, in removal from the major.
7. The junior recital must demonstrate performance skills in jazz. The senior recital must demonstrate performance and compositional skills in jazz and may not be performed until the successful completion of three semesters of MUS 436.
