This four-year plan is a recommended schedule to complete your bachelor's degree in 4 years. Every UNC student must meet the following requirements in order to graduate with a bachelor's degree: earn a minimum of 120 semester credit hours; possess a minimum of a 2.00 cumulative grade point average; have at least 31 credit hours in courses designated as Liberal Arts Curriculum; meet all degree requirements in the student's major field of study. Each major and/or emphasis may have additional requirements necessary for graduation. **Students must consult with their major advisor to receive information on any additional graduation requirements.**

Admission Requirement – All degree program areas in the School of Theatre Arts and Dance (Theatre Arts and Musical Theatre) require an audition, interview, or other application for entrance into the degree program. Students interested in majoring in Theatre Arts or Musical Theatre may be accepted as "Undeclared" if they meet the general admission requirements of the University. If a student has been accepted by the school after a successful audition or interview, they will then be designated as a Theatre Arts or Musical Theatre major. Consideration of student acceptance will be made by the Admission Committee of the School in accordance with the student's audition or interview, resume, letters of recommendation, and academic record. The student must apply and be accepted to one of the concentration areas. Information concerning auditions, interviews, or essays for Theatre Arts programs may be requested from the School of Theatre Arts and Dance University of Northern Colorado, Frasier Hall, Greeley, CO 80639; phone: 970.351.2991.

Students must consult with their major advisor to receive information on any additional graduation requirements.

Notes –

1. The Colorado Commission on Higher Education and this program require the completion of a yearly assessment process. The assessment, which includes an evaluation of your year's progress as well as a yearly audition or interview, may be the basis for your continuance in this program area.
2. A teaching minor is highly recommended. Students must remember that in the public schools of the State of Colorado, more than half the teaching load must be done in the area of licensure. A student desiring licensure should be prepared for many additional requirements in content and in methods and observation in the minor field.
3. Students must successfully pass program specific PRAXIS before student teaching.

Please see the Undergraduate Catalog for additional notes under the B.A. in Theatre Arts: K-12 Teaching Emphasis.
